

WIN WITH TALBOT ON PRODUCT RECALL

One of the leading global product recall markets

Here's how Talbot's Product Recall team helps brokers win and retain business:

Saying 'YES'

As a leading product recall insurer we make it our mission to provide meaningful risk transfer solutions for the most discerning of clients large and small.

Relationship driven

Talbot's Product Recall team prides itself on building long term client relationships by providing comprehensive products that respond when our clients need them the most.

Innovative approaches

Our Product Recall offering is bespoke. We utilise the knowledge, experience and understanding within our team to create responsive coverage that reflects each of the complex risks presented to us.

Claims collaboration

Talbot's Claims team works in unison with the Product Recall underwriting team to resolve claims. This process ensures policies respond the way the underwriter and broker intended.

A unified approach

Talbot's Product Recall team is truly global, working in harmony across our global office locations to provide brokers consistency and ease of access.

Market leading expertise

Our team includes individuals from a variety of underwriting, broking, and commercial backgrounds. Plus, we have the enormous knowledge of AIG behind us: engineers, subject-matter experts, and others who make Talbot's Product Recall team one of the leading global markets.

This marketing material is not intended as an offer or solicitation for insurance and is for informational purposes only.

Products and services are written or provided through Talbot Underwriting Ltd, as managing agent of Syndicate 1183 at Lloyd's ("Talbot") or by other subsidiaries or affiliates of AIG. Products or services may not be available in all countries, and coverage is subject to actual policy terms. Non-insurance products and services may be provided by independent third parties. Talbot is listed on the NAIC International Insurers Department Quarterly Listing of Alien Insurers ("IID-listed insurer"). IID-listed insurers are not licensed and generally do not participate in state guaranty funds, and insureds are therefore not protected by such funds. The term AIG refers to American International Group, Inc. property and casualty insurance operations, including related property and casualty business divisions, but not to any specific subsidiary insurance company. Licensed, surplus lines brokers may obtain products and services from Talbot Specialty Insurance Services, Inc. an AIG subsidiary and affiliated coverholder of Talbot.
